

PROJECT REPORT

Introduction:

This project is about how to create a perfect resume writing as a professional resume for the job. And for this we have used empathy map and brainstorming map. This project is very useful because we have learnt how to create a perfect resume writing. we have also used canva app also in this project.

Empathy map:

Ideation and brainstorming map:

Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

- Brainstorm zones
- Brainstorm cards
- 24 unique cards total

Before you collaborate

A little bit of preparation goes a long way, and it's easier to discuss ideas you need to be getting going.

- 1. Set the scene
- 2. Set the agenda
- 3. Set the ground rules
- 4. Set the expectations

Define your problem statement

What problem are you going to solve? Define your problem as a how/why statement. It will be the focus of your brainstorm.

RESUME WRITING

Key ideas of brainstorming

- Brainstorming zones

Brainstorm

While everyone has their own ideas to share, it's important to have a structured brainstorming session. This is where you can generate ideas and build on each other's ideas.

Brainstorm zones

Brainstorm cards

Brainstorming map

Group ideas

Now it's time to group your ideas into categories. This is where you can see the big picture and identify the most important ideas.
